Maple Class Newsletter

Be safe, Be ready, Be respectful.

Well done to those who received Excellent Work, Values and Hot Chocolate certificates this week.

Excellent Work

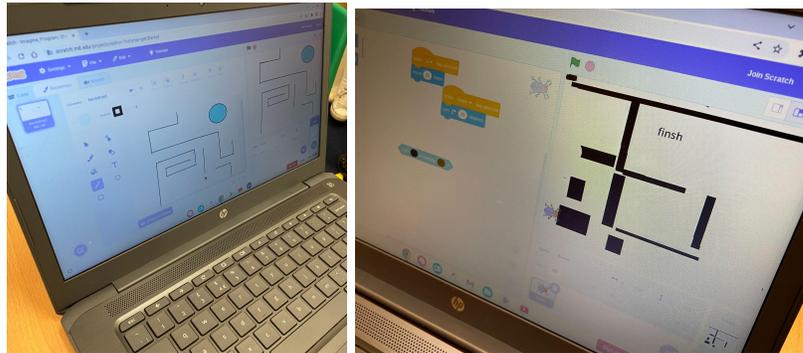

Freddie

Values

Hugo

Hot Chocolate

Frank

In Computing we used scratch to programme a sprite to move around a maze

In our DT work we have been learning about how to design and create moving vehicles. We looked at axles, chassis, researched existing products, then designed our own moving vehicles. Finally we used our skills to make our own 'Wacky Racers' and evaluated our designs. Here are some of our final creations.

This week we have been:

- Complete our non-chronological reports in English.
- Continuing statistics in Maths.
- Beginning our new DT unit. 'Moving Vehicles
- Developing our skills in 'Scratch' in Computing.
- 'Protecting our privacy' in PSHE.
- Continuing to choose a genre to create our own musical composition.
- Learning about sacrifice in RE.
- Inviting the Dogs Trust in to discuss how to behave safely around dogs.

Wednesday 12th July 2023

Thank you for all of your support throughout this academic year. Whether that has been coming into school to help out on trips, hearing children read, supporting with homework and turning up to parent consultations it is very much appreciated.

We hope you have a restful summer holiday. Thank you for all the best wishes, cards and gifts.

We look forward to seeing you all back on August 29th.

Mrs Chick & Mr Rock
