

# CLAYBROOKE PRIMARY SCHOOL

## Promoting British Values

The DfE have recently reinforced the need *"to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs."*

The Government set out its definition of British values in the 2011 Prevent Strategy, and these values have been reiterated this year (2014). At Claybrooke these values are reinforced regularly and in the following ways. We ensure it is addressed with teaching and learning opportunities.

### **Democracy**

Each year the children decide upon their class charters or rules and the rights associated with these. All children contribute to the drawing up of the charter. We have a school council which meets regularly to discuss issues raised in class meetings. The council has its own budget and is able to genuinely effect change within the school. The council members for each year group are voted in by their class. Children have an annual questionnaire with which they are able to put forward their views about the school.

### **The Rule of Law**

The importance of Laws, whether they be those that govern the class, the school, or the country, are consistently reinforced throughout regular school days, as well as when dealing with behaviour and through school assemblies. Pupils are taught the value and reasons behind laws, that they govern and protect us, the responsibilities that this involves and the consequences when laws are broken. Visits from authorities such as the Police and Fire Service help reinforce this message.

### **Individual Liberty**

Within school, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young pupils to make choices safely, through provision of a safe environment and empowering education. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advised how to exercise these safely, for example through our E-Safety and PSHE lessons.

### **Mutual Respect**

Mutual respect is at the heart of our values. Children learn that their behaviours have an effect on their own rights and those of others. All members of the school community treat each other with respect.

### **Tolerance of those of Different Faiths and Beliefs**

At Claybrooke we actively promote diversity through our celebrations of different faiths and cultures. Assemblies are regularly planned to address this issue either directly or through the inclusion of stories and celebrations. Our RE, PSHE and Citizenship teaching reinforce messages of tolerance and respect for others. Members of different faiths or religions are encouraged to share their knowledge to enhance learning within classes and the school.
