

# Help Needed for the Spinney.

We have drawn up **10 zones** within the Spinney and are looking for individuals or families **to help** create an outdoor learning space that the **children can benefit** from; day to day at school.

**Stage 1:** Clear back each zone. Clear out/recycle out of date items. Once clear, reassess wish list. Draw up plans.

**Stage 2:** Build/buy/upcycle items. Plant new plants.

**Stage 3:** Maintain. Adjust and tweak as we learn and the space grows.

## How to get involved.

Message Estia on 07704 064001 or email claybrookeprimarypta@gmail.com.

**Please join me** this Sunday, **29th May at 10pm-1pm** to follow up on the great start Tom has made. Bring any tools you have. Once the plan is established, people will be able to access, as and when suits their diary.

For the purpose of safeguarding. We are currently getting quotes for a fence and will be doing a number of fund raising events to assist the school with the cost of the overall project.

### Wish List

Mulch Path and areas
Seating circle
Place for a fire pit
Pond
Bluebells/foxgloves
