

# Run The Distance

## LONDON TO PARIS

214 miles which is equal to 344 km

**Start Date: Monday 6th June**  
**End Date: Friday 1st July**

To encourage consistent fitness, **inspire future runners** and set up a **fund raiser**; supporting the school. We are challenging the children to run laps, daily around the school field.

Over the course of 4 weeks the collective total should help them reach the distance from  
**London to Paris!**

Please provide your children with a pair of running shoes, each day. If you can leave a set in school; alternatively have them packed in their bag for each day.

**Ways to donate and follow progress will be communicated after half term.**
