

Claybrooke Primary School Newsletter 21.06.24

Be safe, Be ready, Be respectful.

Welcome to the latest weekly newsletter.

Assessments.

Over the last couple of weeks the children (except Y6) have been completing their end of year assessments. Well done to everyone for all their hard work during this period. Data will now be analysed by the staff in preparation for the next academic year.

Y5 to 6 Transition Festival

Well done to our group of Year 5 pupils who took part in a Transition Festival at Lutterworth High School on Tuesday. They took part in a rounders competition against other pupils. Well done for representing the school so well.

Uniform.

Next Tuesday, 25th June, we will be doing a uniform sale on the playground of all of our spare school uniforms. This will be a great opportunity to stock up on additional items of uniform for next year. Most items, 50p each!

Sports Day.

Apologies that we had to cancel Sports Day on Wednesday. Unfortunately, due to the heavy rainfall on Tuesday evening and the field being mowed in the early morning it meant that the field was very slippery and muddy in places when we checked mid-morning. As always, children's safety is paramount and I couldn't risk the field still being slippery in the afternoon. We have rescheduled sports day for next Wednesday, 26th June. The weather is already looking promising. Fingers crossed!

As it is looking to be a much warmer week next week, please remember to send your child in with a water bottle, a hat and apply sun cream. The gazebos will be out on the field to give some shade.

Thank you for your ongoing support. I hope you have a lovely weekend.

Mr P. Rock
Head of School

*Latest class news:
This week: Oak Class*

It has been a busy few weeks in Oak class! The children have started to learn their lines for the leavers production of "I'm an 11-year old, Get Me Out of Here!" Please look out for information in the coming weeks regarding tickets and showtimes.

We enjoyed a whole school trip to Beaumanor Hall last week! The trip was an outdoor adventurous activities (OAA) trip, which is a part of the PE curriculum. Oak enjoyed building their own land buggies in the morning and worked on their orienteering skills in the afternoon.

Some of Oak class enjoyed participating in the LSLSSP small schools cricket tournament recently. They played five games in total, winning three! The children demonstrated excellent teamwork, as well as bowling and batting skills.

Most of Oak also enjoyed a trip to the annual Saffron Lane Athletics Stadium in May, competing in a variety of events, including long jump, howler throw, short distance, long distance and a relay. The children (as usual) represented Claybrooke wonderfully by showing teamwork, team spirit and great sportsmanship towards their competitors.

In History this term, we have been studying Richard III, with a focus on the War of the Roses. The children have looked at the various monarchs that have ruled over England, and which battles they may have fought to get the title.

We made Chelsea buns! Last term's topic of cooking and nutrition focused on different types of bread. The practical element of this unit was to make Chelsea buns. The picture speaks for itself!

Claybrooke School Calendar 2023- 24

Summer Term 2024

Date	Event	* = parents invited
Wed 26.06	Reserve Sports Day (followed by tea and cake in the hall (2:45 - 3:30)*)	
w/c 01/07	Annual Reports out this week. (Date TBC)

THE HARBOROUGH

#HARBOROUGHMONSTERTRAIL

MONSTER TRAIL

THE SOUTH LEICESTERSHIRE SCHOOL SPORT PARTNERSHIP,
WITH THE SUPPORT OF THE HARBOROUGH DISTRICT COUNCIL
AND ACTIVE TOGETHER HARBOROUGH, IS DELIGHTED TO
ANNOUNCE THAT IT WILL BE CREATING THE HARBOROUGH
MONSTER TRAIL FOR CHILDREN & FAMILIES TO ENJOY
THIS AUTUMN!

WE NEED YOUR HELP!

CAN YOU CREATE AND NAME A MONSTER THAT
REPRESENTS YOUR LOCAL AREA OR A LOCAL
LANDMARK? HOW ABOUT THE **FLECKNEY FLAMETHROWER**
OR THE **FOXTON LOCH NESS MONSTER**. WE'D ALSO LOVE TO HEAR
ABOUT WHAT CHARACTERISTICS YOUR MONSTER HAS; DO THEY
SLITHER ACROSS THE FLOOR AND LOVE TO EAT PINK
MARSHMALLOWS OR ARE THEY GRUMPY WITH 5 SETS OF EYES
AND LIKE TO SLEEP ALL DAY?

TO ENTER!

ONCE YOU HAVE DESIGNED YOUR MONSTER, GIVE IT TO THE SCHOOL OFFICE OR
SNAP A PHOTO AND EMAIL IT TO MKHAN@SOUTHWIGSTON.LWLAT.ORG.UK
IF YOUR MONSTER IS SELECTED, IT WILL BE CREATED BY A GRAPHIC DESIGNER,
PRINTED AND DISTRIBUTED ACROSS HARBOROUGH FOR FAMILIES TO FIND ON
THEIR MONSTER TRAIL! YOU'LL RECEIVE A CERTIFICATE AND A FRAMED PRINT OF
YOUR WINNING DESIGN! THERE ARE PRIZES ON OFFER FOR FINDING ALL THE
MONSTERS DOTTED AROUND HARBOROUGH!

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators PROMOTING PHYSICAL WELLBEING

Physical activity isn't only beneficial for our bodies; it also plays a role in promoting mental wellbeing. With both the Euros and the Olympics this summer, it's an opportunity to engage young people in regular exercise which can reduce stress, improve mood and boost self-esteem. Despite these benefits, many children face barriers to participating in physical activity.

1 MAKE IT FUN

Incorporate activities that children enjoy, such as playing games or dancing. Encourage participation in team sports or group activities to foster social connections and a sense of belonging.

2 MIX MOVEMENT WITH LEARNING

Educational settings can incorporate movement breaks and physical activities to enhance focus, concentration and cognitive function. Embedding exercise into the curriculum can also reinforce learning and stimulate creativity. 'Revision walks' with podcasts and flashcards can benefit older learners.

3 CREATE OPPORTUNITIES

Provide clear chances for physical activity throughout the day, both indoors and outdoors. Schools can encourage active play during breaks and at lunchtimes, while limiting screen time at home can help keep children up and about.

4 PROVIDE POSITIVE REINFORCEMENT

Praise and encourage children for their efforts and achievements in physical activity. Recognise their progress and celebrate their successes to reinforce positive behaviours. Educators could do this in several ways, such as applauding their efforts at assemblies or celebrating their accomplishments in newsletters.

5 VARIETY IS KEY

Introduce a selection of physical activities to keep children engaged and prevent boredom. From swimming and cycling to yoga and martial arts, trying different types of exercise can help children to discover what they enjoy most.

6 ENJOYMENT OVER COMPETITION

Encourage children to focus on the enjoyment of physical activity rather than winning or achieving perfection. Emphasise effort, improvement and having fun rather than outcomes, to minimise the amount of stress that children can sometimes associate with sports and other competitions.

7 SET REALISTIC GOALS

Help children set achievable physical activity targets based on their interests, abilities and preferences. Celebrate their progress and successes to maintain motivation and enthusiasm.

8 MAKE IT ACCESSIBLE

Ensure that children have access to safe, suitable spaces for exercise at home, at school and in the community. Advocate for inclusive environments which accommodate diverse needs and abilities. Be a change maker in your community if facilities aren't already available.

9 LEAD BY EXAMPLE

Parents and carers can be positive role models by prioritising their own exercise and involving children in their fitness routines. Gentle walks, bike rides or sports activities can be wonderful opportunities for bonding and staying active together.

10 ENCOURAGE PERSISTENCE

Help children develop resilience and perseverance by encouraging them to overcome challenges and setbacks in physical activity. Teach them the importance of perseverance and the value of effort in achieving their goals.

Meet Our Expert

Adam Gillett is a learning and development specialist who, as well as working for Minds Ahead, is associate vice principal for personal development at a large secondary school in Barnsley. He was asked to be part of an expert research group for the Department for Education, one of only three school leaders to be asked to do so.
