## Maple Class Newsletter

Welcome back to school everybody. We hope you all had a lovely summer holiday. Thank you for all of the lovely words, cards and presents we received at the end of last year. They were all very much appreciated.

We have had lots of work undertaken in school over the summer holidays, this has included moving Maple Class into what was the Library room. The room has been re-decorated and a new carpet put down. It is looking great. A fantastic space to learn in.

Well done to everyone in Maple Class who have settled in so well this week. We have been really impressed with the positive attitude being shown by everyone. Please can you refer back to Mr Howard's email from earlier this week that details reminders regarding uniform and PE kit expectations. We will be expecting children to be wearing the correct uniform/PE kit.

We have also added to our behaviour expectations across the school with 3 new key phrases for the children to follow. These are:

***Be safe, Be ready, Be respectful.***

Next week we will be:

- Exploring poetry in English
- Beginning our unit on Place Value
- Starting our Science topic of Rocks and Soils.
- Finding out about Europe in our Geography lessons.
- Starting our Computing unit; Connecting Computers.
- Beginning our unit on Pitch in Music.
- PE days: Monday & Friday.

### Homework

Homework is stuck in your child's new orange homework book. Please can you tick off tasks completed. Thank you.

Please do not hesitate to contact a member of the Maple team if you have any questions.

As always, thank you for your continued support.

Mrs Chick (Mon, Tue, Wed)

Mr Rock (Thurs, Fri)
