

## Claybrooke Primary School Newsletter w/e 17/02/2023

Welcome to our new-look, weekly newsletter. Following feedback from parents, we will now put all calendar dates, reminders, good news, flyers, etc, in this newsletter, which will then be published and shared with you via Arbor at the end of each week. This will reduce the number of non-urgent messages you receive throughout the week. This newsletter will also incorporate class news, further reducing the number of messages you receive and the number of places you have to visit for your news. This will be your 'one-stop shop' for all our weekly news; we hope you like it!

Mr. Howard

### **Next (School) Week's Calendar (\*=Parents Invited):**

Day	Event
Mon 27/02	Arts & Crafts Club (paid) 3.15 - 4.15 pm

### **Topic Showcase:**

You are welcome to come and have a look at what your children have been learning about in a chosen topic in our latest Topic Showcase afternoon, on Tuesday 28<sup>th</sup> February, 2.30-3.00. No need to book; just sign in and then go and see what's been happening in our classes.

### **Parent Forum:**

Our latest parent forum will now be held on Wednesday 8<sup>th</sup> March, 2.00-3.00 pm in school. We will discuss Behaviour and we will also gather your thoughts about the cost and frequency of school trips.

### **Dodgeball:**

It was Dodgeball galore this week, with our Year 3/4 and Year 5/6 teams participating in events and competitions at Lutterworth College. They were all perfectly well-behaved as always and our Year 5/6 team made it to the semi-finals. Well done!

UNIVERSITY OF  
**LEICESTER**

**Luna:**

Luna, Mr Rock's reading therapy dog, came for a visit to all classes this week. Here is Willow class meeting her for the first time!

**E Safety:**

We will provide information about a different aspect of E safety every week in this publication; we hope you find it useful. Please do check your security settings and talk to your children regularly about their online behaviour. This week's topic is: **BeReal**

## Willow Class Weekly News

### This week we have been very busy:

- We took part in the Big Schools' Birdwatch challenge with the RSPB. It is a national survey which involves counting the number of birds in the school grounds.
- We met Luna the dog with Mr Rock to learn about how to care for a pet.
- We have been exploring Beebots in computing.
- The year 1 children have explored missing numbers on a number line.
- Reception children have been looking at the numbers 6,7 and 8.
- In Dance this week, we have recapped all dance moves skills we have learned so far and used them to form a sequence of moves.
- During Geography, we have been exploring directions and looking at the points on a compass.

### After half-term:

- We will be starting our geography topic to look at what the weather is like in the UK.
- Reading stories such as Rosie's hat!
- In science our topic is everyday materials.
- In Maths, year 1's will be looking at addition and subtraction within 20.
- Reception will compare height and length of objects.
- We will be focusing on our handwriting and letter formation.
- RE we will be focusing on 'Why is Easter special to Christians?'

Notices-

**PE** sessions will continue weekly on **Monday afternoons.**

Topic Showcase **28th February** 2:30-3.00 - a great chance to see and share the children's work

World book day **2nd March**- see separate letter for details

**Reading-** Look out for our reading challenge cards! We are trying to encourage the children to read their book bag books and ebooks at home. Please record every time your child reads to you!

**Homework-** If you would like to support your child with phonics at home. Reception children are currently working on reading words with set 2 special friends and reading red words.

[Review ay, ee, igh](#)

[Hold a sentence](#)

[Red word 3](#)

Year 1 children have been recapping set 2 and moving onto reading words with set 3 sounds in.

# What Parents & Carers Need to Know about

# BEREAL

BeReal is the latest trending social media app. The concept is that people see others in their authentic day-to-day lives, sharing candid photos without editing or applying filters. Each day at a random time, users are simultaneously notified to take a picture of what they're doing at that exact moment. The two-minute window to submit an image means there's no time to select a particularly glamorous or exciting activity. BeReal shares two pictures: a selfie, and an image of the immediate surroundings. Users can only view and react to their friends' photos once they upload their own.

AGE RATING

13+

from the App Store & Google Play

## WHAT ARE THE RISKS?

### CONTINUOUS NOTIFICATIONS

Like any social media app, BeReal's developers want users to be on it regularly and scrolling for long periods. BeReal only sends one notification to post a picture each day, but there are other alerts for events such as mentions, comments, friend requests and reactions to your photo. This can cause young users to feel pressure to open the app and respond, distracting them from other activities.

### CONNECTING WITH STRANGERS

When someone signs up to BeReal, it highlights anyone in their phone's contacts list who already has the app – so users can connect with friends, or invite others from their contacts. The 'Discovery' feed, meanwhile, shows posts from strangers and gives users the option to add them as friends, too. This means your child could potentially connect with – and communicate with – a stranger.

### PUBLIC SHARING

As well as sharing posts with friends in the moment, the app also allows posts to be shared publicly and public content to be viewed. Before a user can see this public content, they must post their own photo first. Unfortunately, there currently seems to be a lack of moderation on the content that's being uploaded, so a young user could be exposed to posts which aren't suitable for their age.

### EASY LOCATION

BeReal's default setting is to share the exact location of where a post was sent from. Given that images are usually shared within the two-minute window, anyone your child is friends with on the app will know exactly where they are (or at least, where they were two minutes earlier). As we've noted, this could include strangers who are intending to use this geographical information for malicious purposes.

### VISIBLE PERSONAL DATA

As with any other form of social media, it's important that your child doesn't share too much personal information on their profile. BeReal allows for a photo, full name, approximate location and a short bio. It's safest to make sure that your child's profile doesn't display anything which could identify where they go to school or exactly where they live.

### REPUTATIONAL DAMAGE

What your child says and does online – their digital footprint – shapes the way that other people see them. It's essential that young people understand that when they post something online, they are giving the app in question the right to do whatever they wish with that image or content, including sharing it elsewhere. This form of permission is explicitly referenced in BeReal's terms of use.

## Advice for Parents & Carers

### LIMIT NOTIFICATIONS

BeReal offers the option to turn off individual types of notification. Doing this will significantly reduce the number of times your child is tempted to open the app by incoming comments, uploads, friend requests and so on. Ironically, it will allow them to actually 'be real' by being present in the moment and their current environment as opposed to being engrossed on social media.

### STOP AND THINK

BeReal's goal is for users to be authentic with friends, removing the pressure of that flawless photo or perfectly worded post. It's still vital, though, that children stop and think rather than uploading something risky just to meet the two-minute deadline. Point out to them what kind of information strangers could extract from an image: school crests, street names or local landmarks, for example.

### KEEP IT AMONG FRIENDS

Remind your child why adding strangers to their contacts isn't a good idea, and advise them to decline any friend requests from people they don't know in real life. If something your child sees on BeReal makes them feel uncomfortable, they can report it by clicking on the three dots in the top right. The reporting tool allows them to state the reason that they're flagging up the post.

### CREATE A SAFE PROFILE

Remind your child to use an avatar as their profile pic (as opposed to a photo of themselves) and use a nickname or just their first name, not their full name. Any information they add to their bio (which is optional) should be kept vague, and personal details should remain private. It's also worth turning off the geolocation feature either through the device's settings or in BeReal itself.

## Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

# Claybrooke Reading Festival 2023

27th Feb — 3rd March

**Stay and read session:** Thursday 2nd March. (8:45—9:15)

Come into school and stay for a while to read with your child/other children.  
(or bring in your favourite book as a child and read to a small group.)

**World Book Day: Thursday 2nd March.**

Activities taking place in school to celebrate World Book Day.

*During the week why not donate any unwanted good quality books into our 'Book depository' based on the playground. Then swap your book for another one. Take it home and read it with your children.*

**Family reading week challenge.**

Turn a wooden spoon into a book character! See some examples below. Bring in your completed spoon on World Book Day.

**What else is happening during our reading festival?**

Paired reading sessions. (Older children reading to the younger children)

Live streaming lessons and activities throughout the week.

Whole class reading & lots more.

**Find out more at: <https://www.worldbookday.com>**

The [World Book Day website](https://www.worldbookday.com) is a great place to discover more about the importance of reading for pleasure, and has a huge range of resources for families to enjoy
