

Claybrooke Primary Parents' Forum 2022/23

**Are you passionate about school life?
Do you want to share your thoughts or suggest a change?**

We value your views and thoughts as parents and carers and we believe that an ethos where school and parents/carers work together will enable our children to flourish.

Join us for a drink and a biscuit, along with the opportunity to chat about different aspects of school life, with people who care about our school as much as you do.

Each meeting will be held in the school hall by a member of staff, aiming to prompt questions and discussions around topics such as: Behaviour, Reading, Homework, Trips, Parent Visits to School, etc.

Our meeting dates are:

Thursday 27th October 2022, 9.00-10.00 (Agenda: School Improvement Plan)

Wednesday 1st March 2023, 2.00-3.00 (Agenda: TBA)

Monday 5th June 2023, 6.00-7.00 (Agenda TBA)

Note: Meetings will follow a set agenda and are not intended for discussing specific children or issues (teachers and senior leaders are available for this), although there will be an opportunity to suggest future topics for discussion. Meetings are arranged for different times and days to give as many parents as possible the opportunity to attend.
