

Friday 18th November 2022
Oak Class Newsletter

This week we have:

- Looked at Grid References in Geography
- Understood why Christians celebrate communion
- Studied the seasons in Spanish
- Looked at how the blood vessels carry oxygenated and deoxygenated blood around the body in Science
- Started writing a poem based on Maya Angelou's 'Still, I Rise' in English
- Year 6 have been learning how to add and subtract mixed numbers and improper fractions in Maths
- Year 5 have been looking at equivalent fractions
- Year 4 have been looking at their multiplication facts
- Raised money for Children in Need

Next week we'll be:

- Looking at identifying the 8 points of a compass
- Looking at martyrs in RE

We will be taking part in a virtual World Cup competition with LSLSSP up until Christmas. The children have the opportunity to design their own football kit and challenge themselves with keep ups, cone dribbling and a GK activity. The children are

welcome to practise this at home ready for the results to be logged at school!

Homework is due **Wednesday (23rd Nov)**.
