

Willow Class Newsletter

3.2.23

This week:

We have continued our topic on 'Amazing animals'. At the start of the week, we learnt how to move like animals in gymnastics, learning how to perform a tuck jump, and leap like a lion. Also Charmander, the leopard lizard came in to meet Willow Class and we learnt all about how to care for reptiles. We have been listening to lots of stories for National Storytelling week. Oak class also came to share picture books with us. We created our own little storybooks of our own to share with Oak class.

Next week:

In Maths, we will be continuing to explore place value to 20 with our year 1's and comparing mass with the reception children. Next week it is Internet safety day so we will be promoting safer and more responsible use of online technology. In Geography, we will continue to learn how to draw and create our own maps. Year 1 will look at how to use a compass.

Notices-

PE sessions weekly on **Mondays** indoor sessions

Tapestry - as part of our amazing animal topic we would like to share photos as a class. If you have a pet at home or in your extended family that your child would like to talk about, please add photos to your child's tapestry account.

Reading- book changing will be on **Wednesday's**. Your child will receive a sticker for everyday they read at home (ebook or book bag book). Please make sure your child reads as often as possible.

Homework- If you would like to support your child with phonics at home. Reception children are currently working on reading words with four sounds and reading red words.
