

Willow Class Newsletter

11.11.22

This week we have been learning:

- We read a story called 'A journey to Grandpa's' which we retold as a class.
- The year ones have learned what a fact family is and how to write number sentences using the symbols = and +.
- The reception children have been counting and adding to 5 using objects.
- In forest school we have been making minibeast hotels using a variety of natural resources.
- In computing, we learnt how to use QR codes to access different websites and games on the ipad.
- In PE, they have continued to develop their gymnastics skills.
- In science we have collecting leaves and observing seasonal changes.
