

Willow Class Newsletter

4.11.22

The children had a spooktacular time at the Halloween disco! Thank you to all that helped and attended.

This week we have been learning:

- Our reception children have been learning special friends sh, ng, nk, and ch reading words with these sounds in.
- The year ones have been writing their own number sentences using the part whole model.
- The reception children have been learning the sort, order and match numerals to objects.
- In forest school we have been finding acorns that have roots and continued to observe the difference between deciduous and evergreen trees.
- In DT we have begun to construct our own vehicles using junk modelling.
- In history we have been exploring different materials and what they are used for.
- In PSHE we have explored how to be kind friends and how we value difference.

Willow class enjoyed building our new class balance bikes!

Notices

Forest School- Tuesday afternoon

PE- will continue on **Friday mornings** please bring your kit. The children are doing so well dressing themselves independently! Please continue to practise at home too.

Cinema trip- Thurs 10th November leaving school at 9am

Reading volunteer- We are looking for a parent or grandparent who would like to hear readers one afternoon a week. If you are interested in supporting the children with their reading please let us know!

Thank you,

Miss Jones, Mrs Dudfield, Mrs Clarke and Mrs Slater
