

# Willow Class Newsletter

28.10.22

This week :

- In Maths this week we have started our number sense work with the reception children. We have looked at ways to represent numbers 1, 2 and 3. We have also looked at the formation of these numbers. The year 1 children have been looking at the part whole model.
- On Wednesday, we had Andy Tooze, a Poet, visit school as part of his 'Leicestershire Poetry Tour'. The children really enjoyed meeting him and listening to poetry.
- In History, we are looking at old vehicles and comparing old and new.
- This week in RE, we have been learning about how people celebrate Diwali and the story of Rama and Sita.
- During Art, we created a diva lamp using clay.
- In forest school this week, we looked at deciduous and evergreen trees linked to our work on seasons.

Reception children we will be sending home oxford owl logins new week. These will be kept at the start of your child's reading record. Initially it will be our blending books on there but you can also access other free ebooks to share with your child.

Please look out for QR codes which will support your child to recap previous learning.

### Notices

**Forest School-** will continue on **Tuesday afternoons**. Please just bring in wellies and normal outdoors coats etc!

**PE-** will continue on **Friday mornings** please bring your kit.

Please can you bring in a **small cardboard box** (cereal box or smaller) as we are planning to build a vehicle as part of our DT topic. Also if you have any other junk modelling materials you think that might be useful for this project.

Thank you,

Miss Jones, Mrs Dudfield, Mrs Clarke and Mrs Slater
