Head of School: Mr P. Rock

Message from Mr Rock

I hope you have been enjoying the slightly warmer evenings over the last couple of days. A shame that the weather hadn't stayed this nice earlier in the week! As you are aware, we had to cancel Sports Day and also our reserve Sports day due to the wet weather.

Unfortunately, due to a very hectic calendar of events during the last two full weeks of school, we will be unable to re-arrange a full Sports Day for parents. We will continue to run the events in classes over a series of shorter time slots in the afternoons. We will let you know the overall winners once this has been completed.

Following on from our visit from Andre, the Beekeeper last week, pupils from Oak Class have been clearing their outside area and have planted all the seeds and plants ready to encourage the bees to pollinate. It looks lovely.

**Be safe
Be ready
Be respectful**

We are looking forward to welcoming author Chris Bradford to Claybrooke Primary next Tuesday. Please see the flyer further down the newsletter to pre-order any of his books.

We still have the opportunity for a new parent to join our school governor board. This involves attending three meetings a year as well as other activities within school. If you would like to know more, please speak to the school office.

A huge thank you to Estia for running our first silent disco on Friday morning. I hope everyone who came along had a great time.

We have a predicted heatwave coming over the next few days so please ensure your child has a sun hat on Monday and has sun cream applied. Thank you.

I hope you have a lovely weekend.

Thank you for your continued support.

Mr Rock

**Congratulations to our
certificate winners this week.**

COUNTS.**

Oak Class Newsletter

It has been another busy and exciting half term, with lots of wonderful learning opportunities both inside and outside the classroom. In PE, the children have been developing their cricket skills as part of our striking and fielding unit.

They have practised batting, bowling and fielding techniques while learning the importance of teamwork, communication and fair play. Throughout the unit, the children have shown fantastic determination and enthusiasm, applying their skills in a variety of fun games and small-sided matches. It has been wonderful to see their confidence and sportsmanship continue to grow.

Oak also enjoyed working with Chris from Leicestershire Cricket Foundation last week. They practised different skills needed in a game, including bowling.

Our Science learning has focused on living things and their habitats. The children have explored how animals and plants are adapted to survive in different environments and have investigated classification. They have enjoyed carrying out practical investigations and using their scientific enquiry skills to ask questions, make observations and record their findings.

Forest School has provided many exciting opportunities for outdoor learning this term. The children have enjoyed exploring the natural environment, building shelters, identifying plants and wildlife, and taking part in activities that encourage teamwork, resilience and problem-solving. A huge congratulations to all of the children who represented our school at the Saffron Lane Athletics Event. They demonstrated excellent determination, perseverance and teamwork throughout the day, competing with enthusiasm across a range of track and field events. We are incredibly proud of the positive attitude and sportsmanship they displayed, making themselves and our school proud.

The Year 5/6 boys had a great day out at Countesthorpe CC, participating in the cricket tournament. The boys played together really well, and even won the Spirit of the Games! This is awarded to teams that show values such as respect, teamwork and self-belief. Well done Claybrooke!
